

As of June 8, listed below are our seven unplaced Community Placed Students who still need host families.

Franco (16) of Argentina is a quiet guy who is athletic, intelligent, outgoing and a good person. Franco plays competitive tennis. He also likes to work out. He likes to dance too. He enjoys watching TV and spending time on the computer. Teachers state that he is reliable, hardworking and clever. He is second in his class at a school which is tracked as an economy school. He has studied English for five years. Franco is the oldest child with two younger sisters. Their family is close-knit and Sundays are reserved for extended family gatherings. His Dad is a manager in a company and his Mom is a teacher. Frano occasionally attends a Christian Church. **Franco is only here for the first semester.**

Jakob(15) of Austria says that "learning languages is a door opener for getting in touch with people from different cultures." Jakob has studied English for six years and French for three years. He also plays competitive soccer and tennis. He also skis. On an occasion, he runs too. Jakob is open-minded, friendly and self-confident. He is an ambitious and a reliable student. He is one of the top students in his class. His favorite classes are English, French and Physical Education. He is from a small town. Jakob is the only son, a middle child with an older sister and a younger sister. Their family enjoys spending time with each other. His Dad is a manager in a company and his Mom is a physical therapist. Older sister was an AFS student. Jakob occasionally attends a Catholic Church.

Elise(15) of Germany is a girl who has two home countries, France and Germany . Her family moved to Germany when she was five years old. She loves languages as she has studied English for five years and Spanish for two years in addition to her native French and her almost native German. She also likes history. Elise enjoys reading. She works at an after school daycare for elementary children. She also plays the piano and she plays tennis. She skis too. With her friends, she goes to movies, shops, relaxes and chats. Her family loves to travel. Her English teacher states that she is a take charge person and she is reliable. Elise has an older brother. Her Dad is an export manager and her Mom is a commercial clerk. Elise is Catholic and she occasionally attends church.

Philipp (16) of Germany is interested in music and sports. He has played the drums for the past ten years at a music school. Philipp joined a swim club in the last year and he swims twice a week. He also bowls and snowboards. He likes watching movies. He is friendly ,outgoing, and trustworthy. He likes to try new things. He is fun to be around. He is also open-minded, responsible, and mature for his age. His favorite school subject is Math, but he also likes Politics, English, and Physical Education. Phillipp is a good student. He has studied English for six years and French for 4 years. Philipp is also from a small town. Philipp is the younger of two boys. Their family enjoys meals and discussions as well as participating in outdoor activities. His Dad is a doctor and his Mom is a housewife. Philipp is Catholic and he occasionally goes to church.

Alessia (16) of Italy is interested in art and sports. She likes sports such as tennis, volleyball, basketball and soccer. Her favorite sport is tennis. She also enjoys cooking and reading mysteries. She likes to visit art galleries. Alessia likes writing and at this time, she is interested in journalism or scriptwriting. Alessia is sociable, thoughtful, sensitive, and curious. Alessia is wants to try new activities while on exchange. She is an enthusiastic, mature, and academically motivated student. She has studied English for ten years and her English comprehension is very good. She has a close relationship with an older brother. Her Dad is a magistrate and her Mom is a doctor. Alessia is Catholic and she weekly attends services.

Patrik (17) of Sweden is interested in global warming as well as making sure that folks on this earth do not over consume our natural resources. Patrik has been ice-skating since he was four. He also likes to play ice hockey. He enjoys playing the drums. Patrick is reserved at first but he can talk for hours. He is always there for his friends. Patrick is outgoing, flexible, has a good sense of humor, and independent. His favorite school subjects are civics and history. He is a top quartile student with seven years of English, four years of German and one year of Chinese. He is studious and organized. Patrik is an only child whose family lives in a small town. His active family likes to sail, ski, and to travel together. Patrik would like to have a host sibling. His Dad is an engineer and his Mom is a business owner. Patrik is Protestant and he occasionally attends services.

Pornpreeya (16) of Thailand loves to cook Thai food. She plays badminton with her neighbors and on weekends sometimes plays golf with her Dad. She also jogs. She daily reads the newspaper and plays games. Pornpreeya was chosen the class representative of her class. She is cheerful, and talkative. She is always helping people without being asked. Her teachers say that she is also flexible and independent. In addition, she is patient and kind. She has an older sister who was an AFS student. Her Dad works in the Ministry of Education and her mother is a housewife. Sundays are days for visiting extended family, grandparents and doing fun things together. Pornpreeya is Buddhist and she attends services weekly.

If you are interested, please contact [Heidi Cook](#)

We are at this time looking for semester families with the option to host for a full year.

Your student will be picked up by their host parent around August 14, 2010.
